

## NCEC Association COVID-19 Plan

### NCEC Christmas Competition – Sunday 5 December 2021, Equestrian Park, Cotter Rd, Weston Creek

1. The NCEC has booked the competition area at Equestrian Park for exclusive use. This area encompasses the 2 sand pads and the 3 sand arenas, their surrounds and the area from the double gates to the road, inside the fence.
2. A maximum of 1000 people are allowed in the competition area at any one time, excluding NCEC committee and judges.
3. All people intending to enter the competition area must check in using the ACT Health QR code located on the gate to Equestrian Park and the entrance to the competition area.
4. The other areas of Equestrian Park are public areas and as such are subject to the rules that apply to all public areas.
6. The NCEC will have a designated safety official who will be responsible for ensuring this plan is followed on the competition days.
7. Appropriate signage will be placed at the entrance to the competition area, the office and the toilets.
8. Hand sanitizer will be available at the gear check station, the toilets, the entrance to the competition area and the cottage.
9. All judges & pencilers will be supplied covid safe packs containing masks, gloves, sanitizer and anti-bacterial wipes.
10. All test marks, comments and scores will be electronic and will only be available via Nominate Scoreboard App.
11. To limit interaction between competitors and officials, the gear check will not touch any rider's equipment or come within 1.5m of the horse and rider. The onus is on the rider to ensure they have the correct equipment (eg. whip of correct length, correct bit, noseband fitted correctly).
12. The NCEC will ask anyone who does not follow the ACT Health directives to leave the competition area.

If you are feeling unwell **do not attend**. If you have been in a COVID-19 hotspot or feel you may have been exposed to someone who has been in a hotspot **do not attend**. Please respect your fellow competitors and look out for each other.
